

Who Should Participate?

The Eco Challenge Adventure School has something to offer anyone with:

The Heart to Discover and confront one's physical and mental limits

The Compassion required to be a Teammate on a uniquely challenging expedition

The desire to Learn or Develop a variety of outdoor skills.

A Love for the outdoors and a Commitment to their ethical enjoyment.

The Eco-Challenge Adventure School Training Team

Our Staff is comprised of world class outdoor Athletes and Adventure Racers, including top finisher's in every Adventure Race within the last twelve months. They insure the Eco-Challenge Adventure School experience is like no other. Through their assistance you will gain confidence in your skills and in yourself. All staff are EMT or Advanced Wilderness First Aid certified.

"Success in the Eco-Challenge depends more on teamwork, compassion, and humor in the face of adversity than physical strength or athletic ability. Through the Eco-Challenge Adventure School program, we help you develop these skills under race conditions. It is my sincere belief that every individual completing one of our programs will have the skills necessary to successfully reach the finish line in the Eco-Challenge Expedition Competition. More importantly, I am certain each participant will leave with increased confidence, and compassion. Under-standing how to be a team player, and the ability to apply these skills to your career, relationships and every day life."

All Eco-Challenge Adventure School programs are physically and mentally demanding. Participants will be assigned to a team and expected to give their best efforts throughout the program. Physical fitness is important, but a positive attitude is the most essential prerequisite. We will match participants with teammates of like physical and technical ability. Eco-Challenge Adventure school will provide kayaks, climbing gear, bikes and food. A participant equipment list will be included with registration materials.

Three convenient training schedules:

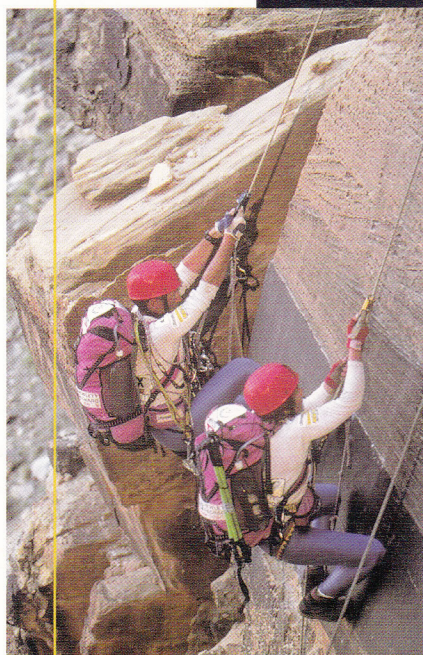

May 9-12

May 16-18

June 16-19

These dates are made available exclusively to Eco-Challengers at the special rate of \$625.00 per person. Visa, Mastercard and American Express are all accepted.
